### **First Day of Kindergarten**

*Author unknown*

Every one has a "first day" when they feel sad and all alone, It can be so scary when you're out on your own. And I know that a "first day" can be full of doubts and fears, But they're full of new beginnings. Take my hankie, dry your tears. You'll find lots of things to do and you'll probably make new friends. I promise we'll be together when the school day ends. Here comes the teacher blow your nose and be brave. Come on now and wipe your eyes, this is no way to behave. Well good morning teacher. We really must beg your pardon.

No, MOMMY doesn't always act this way, But it's my first day of  
...KINDERGARTEN!
